

SPECIAL INSPECTOR GENERAL FOR  
AFGHANISTAN RECONSTRUCTION

October 31, 2017

SAI  
SAICORP, INC.

**RE: REQUEST # 2017-F-035**

Mr. Sai,

This is in reference to your Freedom of Information Act (FOIA) request to the Special Inspector General for Afghanistan Reconstruction (SIGAR) dated September 21, 2017. You requested all records described by 5 U.S.C. § 552(a)(1, 2).

After careful review, SIGAR has determined that your request is too broad in scope (unreasonably vague) and does not specifically identify the requested records. Records must be described in sufficient detail so that employees can locate documents without placing an unreasonable burden upon the agency. Whenever possible, a request should include specific information about each record sought, such as the author(s), date, name or title, recipient(s) and subject matter.

Please resubmit your request with a reasonable description of the records you are seeking. In addition, please note that many of our products are already available for public inspection at <https://sigar.mil/allreports/>.

If we do not hear from you within 30 days from the date of this letter, we will assume that you are no longer interested and this case will be administratively closed.

The Office of Government Information Services (OGIS) is available to help resolve FOIA disputes at <https://ogis.archives.gov/mediation-program>, and if you have any questions you may contact this office at (703) 545-6046 or [sigar.pentagon.gen-coun.mbx.foia@mail.mil](mailto:sigar.pentagon.gen-coun.mbx.foia@mail.mil).

Very Respectfully,

Stephen Kurylo, Jr.  
Public Information Manager
